Page 2/34

Der Preis einer Apfeltasche?
Puderzucker an den Lippen,
Fettfinger und Blätterteigkrümel überall.

Eine Orange gibt es für ein Paar klebrige Hände.
Zerteilt wird sie mit geschlossenen Augen.
So erfrischen Spritzer allenfalls das Gesicht.

Orange und Apfeltasche,
einander zugewandt liegen sie auf samtigem Altrosa.
Ihr Schicksal war bereits besiegelt.

Doch dann entdeckte sie ein Maler,
hielt ihr Lust verströmendes Wesen mit seinem Pinsel fest
und schenkte den beiden ein wunderbares neues Leben.

How much is an apple turnover?
Powdered sugar on the lips,
greasy fingers and puff paste crumbling everywhere.

An orange you can get for a pair of sticky hands.
Close your eyes when dividing it.
Then at most, the splashes will freshen your face.

Orange and apple turnover,
facing each other, lie on a velvety antique pink.
Their fate was already sealed.

But then a painter discovered them,
captured their pleasure-exhaling essence with his brush
and gave them a marvellous new life.
